Formal Notice of Nomination.

September 16, 1901.

Sir:—
Seldom is it, these days at least, that political preference comes unsought, and it is believed that it never thus comes except to those of high merit. Your fellow democrats of the counties of Alleghany, Bath and Highland have preferred you, and whilst they are aware of the fact that the preference comes unsought by you, yet that fact should only tend increasingly to testify to you the high esteem in which you are held by them.

The undersigned, by virtue of authority vested in them by the Convention of Democrats held in the town of Clifton Forge, Va., on September 11th, 1901, for the purpose of nominating a candidate for the House of Delegates of Virginia, to represent Alleghany, Bath and Highland counties, have the honor and pleasure of notifying you that you were selected by said Convention as its nominee. In thus notifying you, the committee desires to express the hope which they have in common with the Democrats whom they represent that you may feel it your duty to respond to this testimony of the high esteem in which you are held by accepting the proffered nomination.

Respectfully Yours,

Wm. M. McAllister }
W. R. Siron } Com.
Wm. E. Allen }
To Hon. C. F. Moore,
Covington, Va.

Formal Acceptance of Hon. C. F. Moore.

Covington, Va., Sept. 17, 1901.

Messrs. William M. McAllister,
W. R. Siron and W. E. Allen.

Gentlemen:—
I have before me your communication of the 16th. inst., giving me formal notice of my nomination to represent the district composed of the counties of Alleghany, Bath and Highland in the House of Delegates, which nomination was made at the Democratic Convention held in the town of Clifton Forge, Va. on the 11th. inst.

I want to thank you gentlemen sincerely for the kind and flattering tone of your notification, and through you to thank the Democratic party for the expression of confidence in me implied in this action.

I could not fail under any conditions to appreciate the honor thus conferred; but coming as it does unsought and unexpected, I am deeply moved by the generous act of the Convention.

Whatever my personal feelings might be with reference to this nomination, I could not feel justified in declining a call so genuinely made by my fellow citizens. I am deeply interested in all that concerns the well being of my country and particularly of this section. If, therefore, it is the desire of the people that I should serve them in the House of Delegates, I shall gladly accept the trust, and do all I can in honor to secure the success of the ticket, and if elected shall endeavor as best I can to serve the people.

In accepting this nomination it is hardly necessary to say that I shall stand squarely upon the platform approved by the Convention which has seen fit to name me as its candidate; and in reply to the inquiry already made, and which will doubtless be made by many, I want to say in frankness that if elected I shall give my hearty support to what is known as the Liability Bill.

Thanking you all who have had part in my nomination sincerely, and promising you the best service of which I am capable both before and after the election, I am,
Very respectfully yours,
C. F. Moore.

The people's verdict upon the charge against Admiral Schley that he smashed Cervera's fleet without the aid or consent of Admiral Sampson is already written and reads: "Guilty, with hearty congratulations!"

Circuit Court Terms Compared.

Below we give two dockets, or the business of two different terms, of Highland circuit court. The comparison shows that in thirty two years the volume of business has gradually decreased, the September term 1901, showing rather an alarming state of affairs for court officers and attorneys. But it is gratifying to know that the citizens of Highland waste but little time and money at the court house, that they transact business on business principles and are law-abiding. It also shows that our lawyers are learned in the law and honest and draw up deeds, wills &c., for their clients, "good and stout".

The docket for September term 1869 is as follows:
9 prosecutions,
40 motions,
118 issues,
176 office judgments. (This was the number of suits brought after the May term of that year.)
19 confessions and dismissals at rules.

Total 412.

The docket for September term 1901, is as follows:
No prosecutions,
4 motions. (Very insignificant ones) 1 issue.

Not one office judgment. (This never occurred before, in the history of the court)
6 confessions and dismissals at rules.
Total 11.

A Little Pleasantry.

Under this head a letter appeared in a recent copy of the Staunton Daily News, written by "J. T. B." who in a very pleasing manner gives an account of the recent trip to Louisville of his party of Knight Templars. The only Knight Templar belonging to Highland was a member of the "J. T. B." party, and comes in for a share of the remarks, as follows:

"William Hevener, as fine a boy as Highland ever sent to old Augusta to be finished, was a proud II on the trip. Weary William! When we arrived in Louisville, and settled in our boarding-house, poor Billy was then and there captured by a thoroughbred Kentucky girl of about 165 pounds of beauty. He was so far gone that he forgot to eat between meals. Willie is a dreamer now."

An Augusta county boy favorably known here is spoken of after this fashion:

"Tuesday, W. F. Hyer, better known as 'Watt,' came in as fast freight from Virginia in full costume for conquest. The ladies went at once to this 'Plumed Knight,' and had chills. He took regular meals, and looked as bright as if he had not taken a single drink."

Czolgosz's Trial Begun.

The trial of the President's assassin commenced Monday. The prisoner when asked by the clerk whether he was guilty or not guilty, replied "guilty." His attorney however rejected the plea and had the plea of "not guilty" entered. No trouble in getting a jury.
At 2:30 p. m. Tuesday Judge Lewis began the plea for Czolgosz. He said no sane man could have had the heart to kill the President. Judge Lewis and those in the court room were it tears as he spoke and women wept aloud.

District Attorney Penny then addressed the jury holding that the prisoner was sane when he committed the crime.

In his charge to the jury Judge White said the guilt of the prisoner had been proved and urged a verdict of guilty.

The case went to the jury at 3:50 and at 4:19 it returned a verdict of guilty of murder in the first degree.

Czolgosz was unmoved. He glanced at the Judge and jury and was half dragged from the room to jail.

Today (Thursday) at 2 p. m. he was sentenced to the electric chair.

Good Calves and Good Prices.

Mr. W. A. Beverage has a bunch of calves this season said to be the best lot ever raised together in this neighborhood. For eight steers he got \$160. Mr. S. Sullenberger sold some twenty dollar calves too, Mr. L. M. McClung being the purchaser. Mr. C. M. Borst of Culpeper county started to his home Monday with fifty of Highland's best calves. The average price we learn was \$17 dollars. This lot spent Sunday in a pasture near Monterey and for about twenty four hours they bawled 'to beat the band.' Some fellow had the impudence to say that the calves had found out in some way that their future home would be in "Tuckahoe."

HOUSEWORK

Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged menaces, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI

is doing this for thousands of American women to-day. It cures Mrs. Jones and that is why she writes this frank letter:

Glenade, Ky., Feb. 10, 1901.
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fatter than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I do not think of lying down through the day.

BUILDING LOTS FOR SALE AT

Bolar Springs, Bath Co., Va.

Many parties have desired to buy building lots at this celebrated and popular summer resort and have uniformly been denied a lot at any price or have been asked a price unreasonably high. We have therefore decided to lay out into quarter acre lots, a tract of 19 acres and will sell these lots at reasonable prices on easy terms.

This property lies within about 500 yards of the celebrated Bolar Springs and about 20 miles North-east of Hot and Warm Springs in Bath Co., Va., and are the only lots that are now and probably will be on sale for years to come at any thing like a reasonable price, and from present indications are sure to increase rapidly in value.

These lots are desirable to parties who may wish to erect a hotel, Boarding house, Livery Stable, or Store, and especially to parties who would like to build a summer cottage, and spend a few weeks each summer at this delightful place, taking their meals at a boarding house or boarding themselves.

Parties desiring to purchase lots can have further and full information by calling on or writing to D. N. Bussard and J. H. Burns, Bolar, Bath Co., Va., who have been authorized to sell and transfer any of this property.

Lewisburg Female Institute

The Leading Female Seminary in West Virginia

Full Collegiate and Academic Courses. Superior Advantages in Music and Art. Lighted by Electricity. All modern Conveniences. A Christian Home School.

TESTIMONY

From George B. Jones, Esq., Chicago, Ill:

Chicago, Ill., June 3rd, 1901.

"I passed by many good schools in order to place my daughter under the exceptionally good influences and thorough instruction that is given at the Lewisburg Female Institute. After two years' trial I am more than ever convinced that in selecting this school for her I made a wise choice. I have personally investigated, and have an intimate acquaintance with many of the best schools for girls in the Middle and Southern States, and I know of no institution that is so free from sham, that is so thorough in its work, and where every influence surrounding the pupil is so unqualifiedly good. Nor do I know of any institution giving the same quality of fare and employing the same high grade of teachers, that gives so low a rate. This school has my cordial and unqualified commendation. I expect to continue my daughter there until her education is completed."

From Rev. M. L. Lacy, D D of West Virginia:

"I honestly believe it is the very best school of which I have any knowledge."

From Rev. S. B. Alderson D E Portsmouth, Ohio:

"I spent a part of my vacation last summer (1900) at the Lewisburg Female Institute as a boarder in Dr. Telford's family, who was a stranger to me. I was so pleased with the Christian atmosphere, the school and the healthful surroundings that I decided to send my daughter there. I have been perfectly satisfied and the President is gifted in the management of young ladies. The spirit of his family makes a home for the students, and I recommend the school to parents as an admirable place for their daughters."

From J. J. Echols, Esq., of West va:

"I have been a patron of the Lewisburg Female Institute for six years, and I believe that under the present management it is the very best Female School in the two Virginias."

From Rev. E. O. Guarrant, D D. of Kentucky:

"A good Female School is a public blessing, and among institutions I do not know a better one than the one at Lewisburg. It is a Christian, thorough and attractive—making not only finished scholars, but Christian characters. It is good enough to educate my own children, and I take pleasure in commending it to my friends."
